Missouri Woman Doing Her Part to Let Others Know What Tanlac Will Do.

"My eight years search for a medicine or a treatment that would overcome my troubles never met with any success until I commenced taking Tanlac," said Mrs. A. B. Cosseboon, who lives at 425 Independence Avenue, Kansas City, Mo., while talking with a Tanlac representative the other day.

"My kidneys and stomach were both in very bad condition," she continued, and it is hard to say which of these troubles caused me the most misery. The awful pains in my back, and the terrible, raging headaches I had would almost drive me wild, and if I stooped over for anything it was impossible for me to straighten up without assistance. Then I would have severe pains on account of my food not digesting properly, and forming into what seemed to be a lump in the pit of my stomach. I was also bothered a great deal on account of my limbs getting numb, or going to sleep, and would often have to rub them with alcohol before I could get any relief. Finally my nerves got in very bad condition, and I was not able to sleep very well, and I just got so week and run-down that it would exhaust me completely to do any part of my housework.

"After reading so much about Tanlac in the Kansas City papers, I decided to make one more effort and give Tanlac a trial, and let me tell you, that was the wisest decision I ever made in my life. It seems almost too good to be true, but I am now as well and happy as I ever was in my life. Why, the change in my condition is so wonderful that everybody who knows me is talking about it, and I always take a perfect delight in telling them that Tanlac is responsible for it all. My kidneys seem to be in perfect condition now, and I am entirely free from those pains in my back, and I haven't had one of those raging headaches since I finished my first bottle of Tanlac, and I eat just anything I want and my food digests perfectly. The numbness and pains in my limbs have disappeared and I am so completely rid of my nervousness that I sleep like a child every night. My strength and energy have come back to me, and I can do all my housework without the least trouble. In fact, Tanlac has made me a well, strong woman again, and I just want the world to know what a great medicine Tanlac is, and I am glad to recommend it to everybody."

Tanlac is sold in Dakota City by Neiswanger Pharmacy, in South Sioux City by Shanes Pharmacy, and in Homer by Wagner Pharmacy.

At a recent meeting of the Village board Byron Buchanan, chairman of the board tendered his resignation, and G. F. Broyhill was chosen to succeed him as our mayor. Byron expects to take a position as operator for the Western Union in Sioux City soon, which was the reason for his giving up the important position as mayor, an honor which he has shouldered for nearly two years. Elmer Biermann was appointed to succeed Harry H. Adair as treasurer at the same meeting of the board.

Raymond A. Broyhill, who re-enlisted in the navy last August from this place, and who has served as cook on the U. S. S. Reid until recently, arrived here on a two weeks' furlough Saturday and is visiting relatives here and in Sioux City. He has seen considerable service on the destroyer since his enlistment. He is now stationed at Detroit, Mich., where the fleet of Eagle boats are being put into commission as patrol boats. He expects to receive his discharge as soon as peace terms are signed.

Deputy Sheriff J. P. Rockwell went to Ft. Snelling, Minn., last Thursday with a warrant for the arrest of Private Chas. J. Fricken, charged with being the father of the month-old baby of Ruth Deroin, of Hubbard, Neb., a niece of Fricken. When Deputy Rockwell arrived at Ft. Snelling Fricken had not received his discharge from the army yet, and the officers informed Mr. Rockwell that he could not arrest Fricken on the military reservation. Mr. Rockwell decided to wait until his man was discharged, and in the meantime had a conversation with him in which Fricken agreed to meet him at an appointed place Saturday.

When the appointed time came Rockwell found that Fricken had been released and had eluded him, coming on to his home in Sioux City, where he secured the services of a Sioux City attorney and on Monday appeared in County Judge McKinley's court and gave bonds in the sum of \$1,000 for his appearance at the November term of district court, the bond being furnished by a surety company. It is thought by the officers that Fricken intends to re-enlist in the army, and thus avoid an immediate trial.

M. E. Church Notes

Rev. S. A. Draise, Pastor

The Centenary Campaign will soon be rolling. May the eighteenth is the day for the beginning of this great campaign. Over eight hundred charges have already passed their quotas. The church at Pilger almost doubled their quota in six hours. Many other towns are far above their quotas. All reports are to be in by May twenty-fifth and then the great convention at Columbus, Iowa, is organizing an automobile caravan to go from Hawkeye to Buckeye. Two hundred cars are already in line. That will be great. A team of M-M-M, consisting of R. E. Evans and H. H. Adair gave inspiring addresses at South Sioux City M. E. church last Sunday evening. Truscott says it was great and the folks say it was mighty good, and wish the speakers had not stopped so soon. Of course, that would be the effect with speakers like these, and the subject like the Centenary—everybody is interested in the Centenary.

Last Sunday was enlistment day at the Sunday school hour. The W. M. B's subscribed more than \$30 per year for the centenary. The other classes did fine—but we did not get all of our quota subscribed—several were absent.

Next Sunday is Mother's Day. The morning subject will be "Mother and I." Wear a flower for her and come. Sunday school at 10 o'clock—and a boomer too—you better come.

"VICTORY NOTES"

After the Civil war, bonds that had been selling at 70c during the last year of the war, sold at \$1.21. BUY BONDS.

We all know the value of co-operation. We know that we get best results by holding together. We know, too, that it is better to be a creditor than a debtor. Then why not be a creditor of the Nation? Why not keep ourselves the co-operative force financing the government? If we can't do it, someone else will, and if someone else does it, it will be to his ultimate advantage and not to ours. It will be to our interest to BUY VICTORY BONDS.

Because we have at heart the tradition of American institutions; because we want to keep our country free and rich and proud and great; because we want our children to have all we enjoy and more; because we are Americans, upright, self-respecting, honest, God-fearing folks we rejoice in Victory with deep thanksgiving and let us make Victory secure by buying our share of Victory notes.

Dakota county has not yet made its quota. We are confronted by a responsibility which seems on the face of it, beyond our immediate problem and yet which is distinctly a question of OUR PERSONAL WELFARE. That problem, that question, is the success of the Victory Liberty Loan. This county has been favored with good crops and general prosperity and can we not afford to loan our money in this great emergency? The campaign will close Saturday, May 10th. Let us all make a special effort to put Dakota county over the top before that time.

PIGEON CREEK PRECINCT AHEAD.

Under the leadership of Chris Sorensen, precinct chairman, the good citizens of Pigeon Creek precinct have over-subscribed the Victory Loan. Their quota was \$18,000.00, the amount purchased was \$19,500.00.

Pigeon Creek is by far the smallest precinct in the county and has no town and no bank or business house of any kind. Notwithstanding this handicap and the fact that all the farmers were busy in the fields when it wasn't raining—Mr. Sorensen called his lieutenants and with system as his slogan put the precinct over the top in good shape. Of the \$19,500.00 subscribed the ladies purchased \$3,050.00.

Pigeon Creek precinct should be congratulated on having as one of her residents that good citizen, Chris Sorensen, who has so ably managed the Liberty Loan campaigns and successfully completed the Victory Loan campaign more than a week in advance of closing time. Dakota county is proud of Pigeon Creek precinct and also its leading citizen.

W. H. RYAN, County Chairman.

CENTENARY CADETS TO BE A FEATURE AT COLUMBUS

New Organization Opens Place For Methodist Boys At Big Celebration

Major-General Leonard Wood, commander of the Central Army Department, with headquarters in Chicago, has agreed to serve as honorary colonel of a regiment of 1,000 boys to be recruited from every state in the Union, and to review the regiment after it is mobilized at Columbus, Ohio, next June. The boys will act as guards, ashers, and guides at the Centenary Celebration of Methodist Missions at Columbus, June 20 to July 13.

This rare opportunity to enlist in a strictly military organization under the popular general will be open to boys in all parts of the country. Here are the requirements:

Candidates must be from sixteen to nineteen years old, inclusive. Their height in stocking feet may be as little as five feet six inches, but it must not be more than five feet eleven inches. Each applicant must present a medical certificate from his physician, stating that he is in good physical condition, and no one will be admitted to the ranks who has not had sufficient military training to adjust himself to company drill. No boy will be admitted to the regiment who has not completed at least one year of high school or its equivalent.

Members of the regiment will receive free all living expenses, including tent or barrack accommodations, mess, laundry and the like. Candidates will be required, however, to defray their traveling expenses from their homes to Columbus, and the cost of the uniform, which will be reasonable.

Enlistment will be for a period of 30 days, extending from June 16 to July 16, inclusive. First roll call will be Monday, June 16, at 11 a. m.

The regular plan of regimental organization, by battalions, companies, platoons, and squads, will be followed. The field officers will be from the regular service. The companies will be officered by boys selected from the ranks.

Ample provision for recreation and for instruction of the boys has been made. Strict military discipline will be enforced throughout, but opportunity will be afforded for such diversions as drill, sports, hikes, and other camp features.

The boy who would like to join this regiment will do well to see the Methodist pastor at once and make arrangements.
